

RICH MEN BACK CONTINENT-WIDE GOSPEL CRUSADE

Biggest Religious Campaign in
History Launched To-Night
at Metropolitan Club.

TO REACH EVERY TOWN

Will Take the Church to the
People, Not the People
to the Church.

The biggest, and what its supporters say is the most common-sense religious crusade in the history of Christendom will be launched to-night at the Metropolitan Club. James G. Cannon, President of the Fourth National Bank and chairman of the movement, will dine the thirty men who constitute the backbone of the movement, and the last conference will be held before these men go out to visit the ninety most important cities in North America. What they accomplish in these ninety cities is planned to extend an influence into every town and village, however remote and inaccessible, in the United States and Canada.

The distinctive feature of the new crusade is that it will seek to take the Church to the people instead of taking the people to the Church. In a nutshell, devoid of sectarianism, samboyanism and even with a minimum of evangelical appeal, the ambition is to go to every man and woman in America, take him by the hand, help him materially if he needs that sort of help, help the part of unassuming Christian friend and thus demonstrate the power of the teachings of the Christian Gospel. INVADERS DEPOSE THE PRESENT PLAN TO SPREAD GOSPEL.

The gigantic plan had its existence first in the mind of a man who is now an inmate of Dr. Trudeau's sanitarium in the Adirondacks. His name is Harry Arnold. He is an invalid. He is said to have no part in the carrying out of what he devised.

When he first broached the idea to several Young Men's Christian Association officials of prominence they admired it, but said it was too big. Mr. Arnold then enlisted the enthusiasm of Frederick R. Smith, a well-known religious writer. Through Mr. Smith the cooperation of practically every Protestant faith in North America was obtained. To-day there are more than eight thousand men already active in The Men and Religion Forward Movement.

Among the New York men who are active are J. Pierpont Morgan, Cleveland H. Dodge, James H. Post, Frederick Billings, James G. Cannon, R.

Fulton Cutting, Dr. D. H. McAlpin, Alfred E. Marling, Charles A. Peabody, L. H. Severance, William Sloan, Robert Brewster, James B. Coombs, Frank A. Ferris and James D. Husted, and other cities over the country are similarly represented by men of means and distinction.

From Baltimore is Samuel G. B. Cook, from Wichita, Kan., A. A. Hyde; from Kansas City, B. A. Long; from Chicago, Henry P. Crowell, together with James M. Speers, Montclair; Clyde R. Joy, Keokuk; Fred Braisted, Oklahoma City; A. D. Brown, George Warren Brown, Murray Carleton and Benjamin F. Edwards, St. Louis; Lewis A. Cressett, Boston; Dr. Elmore Harris, Toronto; Charles L. Huston, Coatesville, Pa.; Cyrus H. McCormick, Chicago; Cyrus F. Palmer, Rochester, N. Y.; John A. Patten, Chattanooga; John Penman, Paris, Ont.; Edward B. Sturges, Scranton; Charles T. Thompson, Minneapolis; Nathaniel Tooker, East Orange; William A. Wilson, Houston; Woodward & Lothrop, Washington, D. C.; C. C. A. Anderson, Boise; Sumnerfield Baldwin, Baltimore; S. M. Clement, Buffalo; Hanford Crawford, St. Louis; James E. Clark, Newton, Mass.; William H. Danforth, St. Louis; R. B. Griffith, Grand Forks; George E. Howe, St. Louis; S. H. Holt, Chicago; George E. Keith, Campbell, Mass.; Thomas S. Lippy, Seattle, and others.

ALL SORTS OF ORGANIZATIONS IN THE MOVEMENT.

Among the church organizations that have espoused the crusade are the Brotherhood of Andrew and Philip, the Baptist Brotherhood, the Congregational Brotherhood of America, the Brotherhood of Disciples of Christ, the Gideons, the International Sunday School Association, the International Committee of the Young Men's

TWO-YEAR-OLD SORE NOW HEALED

Washington Woman Tells of
Wonderful Action of Resinol

The national capitol is not impervious to the war disease and germs are waging on humanity. The following is, in part, a letter received from a young lady in Washington, which shows that the action of Resinol is really a court of last resort. And we might add, after you have tried everything else, and you really want relief, use Resinol. Read the letter:

"I take great pleasure in telling you that your Resinol Soap in connection with your Ointment has been the cause of curing a most aggravating sore. Many things had been used to perfect a cure, but nothing was efficient. Partly for a trial, we tried your Ointment, and the sore that had lasted for two years is now healed."

Miss A. MAGEE,
Washington, D. C.

Resinol Ointment is an absolutely reliable and infallible remedy for practically every form of eruptive skin disease. It instantly stops itching on any part of the body. Resinol Ointment in conjunction with Resinol Soap greatly facilitates the desired result. Resinol Ointment is perfectly pure and entirely free from any injurious ingredients. It is sold in ointment jars, at fifty cents and a dollar. At all druggists. Sample sent free if you will mention heading of this ad. Resinol Chemical Co., Baltimore, Md.

Christian Associations, the Lutheran Brotherhood, the Methodist Brotherhood, the Otterbein Brotherhood, the Presbyterian Brotherhood of America, the Brotherhood of St. Andrew and the United Presbyterian Brotherhood.

These men and movements will work through teams composed of experts in religious work, with missionaries, evangelists, teachers of the Bible, social service lecturers and ready speakers. Each team will go from city to city, holding series of meetings backed by the different sympathetic organizations, and moving on to another city while the organizations and workers of each city continue the work. Extension institutes will be held in the smaller places.

Another feature of the continent-wide work will be the special effort in behalf of children. Every worker is expected to find at least one boy to whom he will play the part of older brother.

Employers the country over are reported already to have shown the liveliest interest in the forthcoming campaign. Reports have been received to the effect that in many of the larger cities, both in the United States and

Canada, employers have agreed to give their men and women from an hour to two hours daily to hear the army of Christian workers. These agreements come from mercantile and industrial establishments alike. Men who work at night are not to be overlooked, for special meetings will be held for these and times and places most convenient and accessible.

BUSINESS PRINCIPLES TO RULE DURING THE CAMPAIGN.

Rev. David Russell of South Africa, Frederick B. Smith, head of the Young Men's Christian Association's religious department, the Rev. Charles Riegle of the Labor Temple, Charles R. Scoville, James A. Whitmore, John L. Alexander and John M. Dean are among the workers and sympathizers who will gather this afternoon in the Broadway Tabernacle previous to Mr. Cannon's dinner and talk over the work.

The campaign, according to the plan of its promoters, will be conducted on business principles and will be characterized throughout by a spirit of the broadest humanity. They believe it will prove the greatest religious movement since the Reformation and of more influence on the world generally than the Crusades.
